On the 5th day of April last, the town voted to pay an additional bounty of \$200 to re-enlisted soldiers, (resident of Somersworth) who had received a bounty of \$100.

The Selectmen were not able to hire money to pay such additional bounty, for the reasons given by Messrs. Wells & Knapp in their report submitted to the town on the 17th day of Aug. last.

The vote of the town instructing the Selectmen to do, what could not be done legally, placed them in an un-

pleasant relation to the soldier claiming such bounty.

That our successors may be relieved from such embarrassment, and being desirous that the volunteer may receive the additional bounty, we take the liberty to recommend that the money received from the government on soldiers account, be appropriated to the payment of such bounties, and that the Selectmen be instructed to ascertain who are entitled to bounty under such vote, and authorized to pay the same from money so received.
